

**MHL** 2011  
MATERIALS HANDLING + LOGISTICS

**The Materials Handling, Warehousing and Logistics Trade Show**

MHL has fast become an important reference point for users in all areas of the supply chain: procurement and manufacturing, warehousing and distribution operations, logistics and strategic planning, e-business and the supply chain of the future.

Visit us at Stand 233, for high quality, innovative material handling solutions:

- Dust Controlled Hoppers
- Container vanning/devanning Skate Table®
- Bulk Grabs
- DCL Retractable Dust Controlled Loading Spouts

**21st & 22nd September 2011**  
**ASB Showgrounds, Auckland**
